

# KERRY ROSE VOICE

A division of Edible Audio

## WHY KERRY ROSE VOICE IS YOUR BEST CHOICE FOR VOICE OVER:

### **EFFICIENCY** BETTER MATERIAL IN LESS TIME:

Over 15 years as an engineer and Dialog Producer to get the results you need. In less time than it would take to talk ABOUT the possibilities, we deliver multiple takes so you have options long after the session is over - Giving you creative flexibility and making it easier to satisfy your client and project goals.

### **VERSATILITY** GIVING YOU TREMENDOUS VALUE:

Kerry has a wide vocal range. Take care of multiple characters, styles or projects in a single session allowing you efficiency AND flexibility- saving you money!

### **FAST** TURN-AROUND TIMES:

Because we have our own studio, we can work remotely and send raw or finished files to you via the internet. The latest technology, plus tried and true methods combine to give you top notch results.

### **ONE STOP SHOPPING** FOR YOUR VOICE & DIALOG NEEDS:

Casting, Dialog Direction, Voiceover, Recording, Editing, Processing, Mixing, Format Conversion. Sound Design, Music, Production and Project Management too!

### **CONSISTENT OVER-DELIVERY** MAKES YOU LOOK GOOD:

Our standard is always the best, do it once and do it right. Making sure you deliver the highest quality on time and on budget. We make you look like a superstar.
